PRE-EMPTED.

Uncle Sam:— "I'll never own that I once thought of erecting a public building on this spot."

Dog Days.

Blackberry season is fast drawing to a close.

Old corn is bringing \$3.35 to \$3.50 per barrel.

Go to the Woman's Fair today and tomorrow.

The fruit crop in the county is the best in years.

All next week under a big tent the Williams Comedy Co.

Eggs at 8 cents per dozen are lower than ever known in late years in this locality.

The dry weather materially curtailed the supply of stock water through the county.

Our ice plant has already demonstrated the fact that it would "fill a long felt want."

Every available vehicle seemed turned in the direction of Crab Orchard on last Sunday.

Fair Hats.

White Felt and Ratine Hats at Mrs. Kinnaird's Millinery Store, Danville Ave.

Don't fail to see Marie De Gafferly the leading lady with the Williams Comedy Co. all next week at Ball Park.

Mr. and Mrs. E. H. Clark of Lexington who are here visiting Mr. and Mrs. S. J. Bourne, for several weeks, paid this office a pleasant call and renewed his subscription for another year.

If we had all the money which Garrard county people will spend patronizing neighboring fairs during the season, we could finance the best exhibition of all of them right here at home.

"Pat" Sutton Still In The Race.

The impression seems to have gone abroad and the report has been circulated that I am not a candidate for the democratic nomination for Magistrate in the 2d (Lancaster) district. I wish to state most emphatically that I am still a candidate and expect to remain so until after the counting of the ballots. 7-18-13 Davis Sutton.

The Record Office Surely Misses Him.

John Tercey Burnside, "Jack", one of the most efficient members of the Record force is confined to his room at the home of his father Judge R. A. Burnside in this city this week with illness. It was at first thought that he was suffering with fever, but this we are very glad to know did not prove to be the case, and it is hoped and believed that he will be able to be out in a few days.

Tent Show All Next Week.

The Williams Stock Co. will come to the Ball park on Monday next and will be here all next week. They carry one of the best repertoires of any tent show on the road always attract good crowds in Lancaster. The Williams are well known in Lancaster and have been coming here for a number of years, and each one of them is well versed in his special line. Mr. William Humphrey of Lancaster is the Advance Agent for the troupe.

Julian Anderson Painfully Injured.

Master Julian Anderson, the oldest son of Mr. and Mrs. C. W. Anderson of this place, who is visiting his aunt Mrs. Bowman near Flemingsburg in Lewis county, met with a very painful accident on last Saturday. While in swimming with some companions he cut an ugly gash in his foot which required six stitches to close. He was taken to the home of his aunt, and on Tuesday his parents received a message that he was suffering considerably and advising them to come at once. Mr. Anderson left at once in an automobile via Lexington, and up to the hour of going to press nothing had been heard from him. It is sincerely hoped by everyone in Lancaster that this bright and popular young gentleman is not in a serious condition and that he will soon be sufficiently improved to return to his home.

\$300.00 Reward.

I will give \$300. in rewards for the arrest, and conviction in the Garrard Circuit Court, of persons guilty of a violation of the Bribery Law (Section 1586 Ky Statutes) at the Primary Election of August 2nd, 1913, as follows: \$50. for the first and \$25. each for the next four convictions of the bribe takers, and \$50. for the first and \$25. each for the next four convictions of the bribe givers. The reward to go to the person giving the information to the Grand Jury which finds the indictment.

This proposition is made to prove that I am willing to spend my money to justify the principles for which I am contending.

G. B. Swinebroad.

Democratic Candidate for County Attorney.

To The Democrats Of The Lancaster Magisterial District:-

I do not expect to make money out of the office of Justice of the Peace, if it should be your will to nominate and elect me. A Magistrate receives three dollars (\$3.00) per day when he attends and serves in the Fiscal Court, and the same price for committee work per day. Thirty days work in one year is all that could be expected by a magistrate for both Court and committee work. An office that pays only Ninety Dollars (\$90.00) a year could not greatly interest a candidate whose only purpose was to get the salary.

My desire to serve the people in this capacity came only after being solicited by a great many tax payers and business men, who urge that as a member of your Fiscal Court I could be helpful to our County.

To all those voters, who wish an economical business administration of your fiscal affairs, if you will elect me to this office, I pledge my vote and influence in the Fiscal Court to bring it about. I consider that the people desire from a candidate a more definite statement, however, than that he will simply do right or that he will serve the people's interest if elected. For some times, what one thinks is right while he is a candidate, the people will find his acts after his election not altogether for the public good. I therefore, think it proper to state some of the things I will do, or attempt to do, if elected magistrate in this district:-

First: The property of the County is assessed much higher in recent years and the taxes people are required to pay are becoming burdensome. The County levy at present is fifty cents on the one hundred dollars, the limit fixed by law. Of this levy twenty-five cents on one hundred dollars, the limit of the law, is for road purposes. The other twenty-five cents is for general purposes. It is estimated that a levy of fifteen cents instead of twenty-five cents for general purposes will meet all the general expenses of the County government. If elect magistrate I will, therefore, vote for reducing the levy ten cents on the one hundred dollars and make it forty instead of fifty cents.

Second: The salary of the County Road Supervisor is fixed at One Thousand Dollars (\$1000.00) per year. The duties of that office are very large. I feel that the salary justifies, and the importance of the office requires the entire time of this officer. If you make me a member of the Fiscal Court I will undertake to see that the County gets the benefit of the services for which it pays.

Third: The County has invested a large sum of money in road working machinery, wagon and teams, and same are maintained at a heavy expense to the tax payers, and if I am your magistrate it will be my purpose to see that this machinery and these teams are kept constantly at work during the entire summer season and will oppose the same being kept in idleness during the threshing season, which is considered the very best road building time of the whole year.

Fourth: The County has a large sum invested in property used for the purpose of caring for and keeping its poor and indigent. Under existing conditions this investment should not only support the County's poor, but yield a good net income. If your magistrate I shall endeavor to see that this property brings the largest profit possible and at the same time properly cares for the County's helpless and needy.

To all those voters who approve of this and similar plans of County government I appeal for support and ask your assistance in securing the nomination in the primary on August 2, 1913.

Very respectfully,
James H. Dalton.

The Fiscal Court.

The press over the State and espe-
 cially of the City of Louisville are mak-
 ing continuous attack upon the Fiscal
 Court system of County government. It
 is demanded that the Court be abol-
 ished and instead there be substituted
 the Commission form of County gov-
 ernment. There is no doubt that the
 people have a just cause of complaint
 against the former and present man-
 agement of County affairs in many
 places and that the press is expressing
 the true sentiment of the people in the
 complaints registered.

In this County we have four justices
 of the peace, who constitute our Fiscal
 Court with the County Judge as the
 presiding officer. A Commission gov-
 ernment would place the affairs and
 business in the hands of three men
 selected from the County at large in-
 stead of from four districts. We are

unable to see the advantage in having
 three instead of four men in charge of
 our affairs and we feel that as the peo-
 ple have the right to select the Court
 that a man from each of the districts
 could be had fully as competent and
 trust worthy as if elected from the
 whole County. However, the enlarged
 duties and responsibilities of the Fiscal
 Court requires that the magistrates be
 men of more experience and better
 business qualifications now than ever
 before. These complications and busi-
 ness responsibilities have grown rap-
 idly in the last twenty years. In this
 County in 1893, twenty years ago, the
 County levy was fifteen cents on each
 one hundred dollars of assessed val-
 uation of property, and the valuation as
 reported was considerable less than
 four million dollars. In 1913 the total
 of the County levy is seventy cents on
 the assessed valuation and the val-
 uation is reported is more than six mil-
 lions. Of the present County levy,
 however, the Fiscal Court has nothing
 to do with twenty cents on each one
 hundred dollars which is for school pur-
 poses and is under control of the Coun-
 ty School Board. Twenty years ago
 the Fiscal Court expended less than
 ten thousand dollars of the people's
 money. In 1913 the Fiscal Court of
 this county will have between forty
 and fifty thousand dollars to expend,
 this being the amount of the tax fund
 for County purposes in 1913. The busi-
 ness interests in most Counties of Ky.
 have increased in the same proportion
 as this.

We feel that the people have not
 fully realized the increased responsi-
 bility of the members of the Fiscal
 Court, and have failed to select men
 as members of the Court, who are fully
 competent to handle so intricate and
 complicated business as is now required
 in the various Counties of Kentucky,
 and by reason thereof the tax fund
 collected from the people has been in
 many instances wasted in mismanage-
 ment.

The remedy as we see it in Counties
 with conditions similar to this, is not
 to undertake to abolish the Fiscal
 Court but for the tax payers to awaken
 to the necessity of having capable and
 trust worthy men as your magistrates
 and to see that such men are nominated
 at the primary on August 2nd and
 elected in November.

Election Of School Trustee.

In one half of the school sub-districts
 in every county in the state at the
 respective school houses between the
 hours of one and five o'clock p. m. on
 Saturday August 2nd, an election will
 be held by the voters to select a trustee
 for the district who serves for two
 years. In most cases interest has been
 heretofore taken in the election of a
 trustee only when persons had a friend
 or kinsman whom they desired to give
 a job and get the public money, with
 little thought of the education of the
 children of the district.

But the people are now investing
 large sums of money in the form of
 taxes collected in school matters and
 the local trustee has something to do
 indirectly with the amount of the tax
 collected and the place and manner of
 its expenditure. The people will we
 think, or at least ought to, take some
 interest in who will be elected as trust-
 ees of the sub-district at this election.
 In order to create an interest in all
 forms of school matters the last Gen-
 eral Assembly extended to women the
 right not only to vote in these elections
 for trustees but to serve as the trust-
 ee if she aspired to the office and could
 be elected. In many places we note
 that women are candidates for trustees
 and will doubtless be elected to the
 office in some districts. No harm can
 be predicted by having some women
 upon the school boards.

The trustees of the sub-districts
 elect on August 2nd select the County
 Board of education, which in this coun-
 ty consists of four members, one from
 each of the four districts of the county
 with the county Superintendent as the
 ex-officio chairman. This Board has
 some considerable responsibility. It
 has the power to levy and collect a
 school tax to support and conduct the
 schools of the county. Our present

board will collect more than 12 thou-
 sand dollars from the county tax fund
 in 1913.

The trustees not only select the
 teachers but in addition is largely re-
 sponsible for the success of the school
 in the respective sub-districts for the
 next two years.

Only the very best equipped person
 of the district should be selected as
 your trustee. This election is in the
 afternoon of the day of the state wide
 primary and if the men are so absor-
 bed in politics that they can not spare
 the time to be out in the sub-districts
 in which trustees are elected, let the
 good women meet at the school houses
 in such districts and vote for and elect
 a suitable person, interested in educa-
 tion with business capacity to properly
 expend the fund provided from the
 taxes collected. We will suggest that
 if the men are not there at the school
 house that a woman may be elected
 trustee under the law.

We are endeavoring to increase the
 circulation of the Record by means of
 a contest for valuable prizes which
 will be participated in by some of the
 most prominent young people in the county.
 This is no cheap, catch penny affair,
 but a bona fide contest for valuable
 prizes, which together with the actual
 cost of conducting the affair, will
 doubtless cost the Record pretty close
 to the actual one dollar per year which
 we receive for the subscription, but
 we want the subscribers and we offer
 the very best incentive possible to get
 them.

We say with pardonable pride that
 we are furnishing to the people of
 Garrard county a good, clean, readable
 paper, and we expect in the future to
 do even better than we have in the
 past; and to continue our efforts for
 improvement until we make the Rec-
 ord second to no county newspaper in
 the state of Kentucky. It will take
 your hearty co-operation to enable us
 to do this, and it is that co-operation
 which we are seeking through this
 contest. We expect to be within a
 short time better equipped than ever
 before to get out a good paper, to have
 more and better facilities at our dis-
 posal with which to accomplish our
 purpose, new and more modern machinery
 and larger and more commodious quar-
 ters, and many other things which tend
 to improve our paper. The Record
 should go into every home in the coun-
 ty, and we expect to spare no effort to
 put it there. We have made every ef-
 fort to make the Record a welcome
 visitor to the people of the county, we
 have always and now stand for the ad-
 vancement of Garrard county and the
 interest of her people, and in an im-
 partial and fair way we have done
 everything within our power to advance
 these interests. While the policy of
 the paper is democratic, we are care-
 ful of those who are not in accord with
 these policies, and at no time may
 there be found in the columns of the
 Record anything to offend anyone, re-
 gardless of their political affiliations.

Our sole aim and purpose is to make
 the Central Record a newspaper for
 ALL the people of Garrard county.

Labor troubles are multiplying, and
 strikes seem to be more numerous than
 ever before in the world's history. The
 great coal strike in West Virginia in
 the Cabin Creek locality is still on;
 the street car strike in Cincinnati
 and now close upon their heels come
 strikes closer to home and which are
 having their effect upon people in this
 locality. The strike of the Lexington
 street car men, which occurred last
 Friday resulted in a complete tie up of
 the entire Lexington street car system,
 and also the interurban service. And
 to cap the climax we are threatened
 with an immense railroad strike which
 it actually occurs will effect 42 trunk
 lines and 80,000 men; so gigantic are
 the proportions of the threatened strike
 that it has given rise to uneasiness in
 Washington, and every effort will be
 made to bring about an amicable
 adjustment of the differences between
 the railroads and their employees, lest
 the strike, should it occur might result
 in depression to business all over the
 country.

Business Houses To Close.

This (Friday) afternoon the business
 houses and banks of the city will close
 in order to give the employees an op-
 portunity to attend the Woman's

Somewhat Of A Curiosity.

Mr. Davis Sutton of McCreary brought
 to town last week a pumpkin which he
 raised in his corn field last week and
 which he had preserved during the
 winter. The pumpkin was well preserv-
 ed and sound and was as fresh as when
 taken from the vine, and looked very
 much as if it would make a toothsome
 pumpkin pie.

Postoffice At Nina To Be Discontinued.

The postoffice at Nina in this county
 will be discontinued the 31st day of this
 month and the patrons of the office will
 be supplied by rural route from Lan-
 caster, the carrier making tri-weekly
 trips to that place, on Tuesday, Thurs-
 day and Saturday. Mail intended for
 persons in that locality should be
 addressed to R. F. D. No. 1, Lancaster
 Ky.

Was Well Known Here.

Mr. John H. Curry one of the best
 known fire insurance men in Central
 Kentucky, died suddenly last Saturday
 while sitting in his automobile in front
 of Dr. Wiley's office in Lexington, where
 he had gone to take his wife for
 treatment. The cause of his death was
 heart disease.

Mr. Curry visited here frequently on
 business and had many warm friends
 here. He was originally from Harrods-
 burg, but for many years has made his
 home in Lexington. He was a distant
 relative of Mr. Theo. Curry of this
 place.

A Welcome Visitor.

Walter McWhorter and his attractive
 bride of Denver Colo. are on a visit to
 his mother Mrs. Vins. McWhorter of
 Paint Lick. Walter left Paint Lick
 soon after the death of his father C.
 C. McWhorter when he was a boy and
 went to Denver seeking relief from a
 most desperate case of Asthma of which
 he was soon relieved. Walter's open,
 manly, honest disposition and his heroic
 energy soon won for him a position
 among the business people of Denver
 and he has made good, now being the
 proud possessor of 27,000 shares in one
 of Denver's greatest enterprises. A few
 years ago he married a fine christian
 young lady, and they are now enjoying
 their first visit to their devoted mother
 and relatives.

The Wheat Crop.

Garrard county people in recent years
 have turned from the raising of wheat
 and given their time and attention to
 other crops. It "froze out", winter
 killed, the fly, rust and various other
 causes made it such an uncertain crop
 that they practically abandoned it, at
 least upon a large scale. However the
 present crop has brought forcibly to
 their attention the fact that Garrard
 county can grow wheat under favor-
 able circumstances and conditions.
 The acreage in the county this year is
 exceedingly small, under the average
 of other years, but the yield and qual-
 ity is splendid. Farmers are reporting
 from 15 to 35 bushels to the acre and
 the former is an exception not the rule,
 and we believe the average will reach
 between 20 and 25 bushels to the acre.
 The cereal is weighing from 59 to 63
 pounds and the grain is plump and dry
 and the millers say is grinding equal to,
 if not better than old wheat. How-
 ever, farmers who in former years
 were accustomed to raising large wheat
 crops, will think twice before going
 back to it on an extensive scale, as
 they figure that this splendid crop
 could not be counted upon to repeat it-
 self, and they prefer to raise some-
 thing a little more certain.

Everybody Should Attend.

The Union services being held each
 Sunday evening in the Auditorium at
 the new school building are being well
 attended. The house is cool and
 comfortable and everybody should
 attend.

"Wets" Will Contest.

The local option election recently
 held in Jessamine county, taking the
 county as a unit, will be contested.
 The "wets" who came out second best
 in the controversy, have already filed
 notice of contest, taking as their
 grounds the constitutionality of the
 county unit law, alleging that the coun-
 ty had no right to control the action of
 the town in their desire to have open
 saloons and also alleging some irregu-
 larity in the printing of the ballots.

The majority for the "drys" was
 overwhelming, somewhere between 500
 and 600, and it seems to us that the
 good people of our neighboring county
 gave voice in no uncertain tones as to
 their desires in this matter, and with-
 out reference to the merits of the
 case, we are of the opinion that their
 desires will be hard to thwart through
 the courts.

Judge Hughes On A Journey.

Our esteemed friend Judge M. D.
 Hughes leaves this week for an ex-
 tended trip; he will meet his son Mr.
 R. E. Hughes in Louisville and together
 with the Mrs. Hughes, both M. D. and
 R. E. will go to Seattle Wash. for a
 visit to their daughter and sister who
 reside in that city. Judge Hughes af-
 ter a stay of a couple of months will
 return to Lancaster, but Mr. R. E.
 Hughes and wife and child, before
 again seeing Kentucky soil will visit
 China, Japan, the Philippines, will
 drop off at Guam for a visit with Mrs.
 Hughes brother, Lieut. John Paul Mil-
 ler, who is stationed there and will
 visit many other places of interest.

"Rob" Hughes since leaving Lan-
 caster many years ago, has labored long
 and faithfully, and his efforts have
 met with splendid success and he has
 really earned the recreation and in-
 teresting trip which he is now giving
 himself and family.

"Watch Us Grow"

Lancaster is enjoying an unprec-
 edented period of prosperity, if the
 amount of work going forward in the
 community may be taken as an indica-
 tion. There is more building going
 forward than was ever known here be-
 fore. Much work is being done by the
 municipality in the matter of improv-
 ing the water plant and the streets, the
 railroad has also caught the spirit of
 improvement and are seeking to beautify
 their premises and have them in
 keeping with their surroundings, and
 the citizens of the community seem to
 be conducting a friendly rivalry in their
 efforts to make their premises more
 presentable.

With no unusual incentive, we can
 but ascribe this improvement to our
 splendid school system and the expecta-
 tion that with our handsome new school
 building completed and ready for oc-
 cupancy, we may expect even better
 educational facilities than we have
 heretofore enjoyed. Another attrac-
 tion is the healthful condition of the
 community; we have in the last few
 years had a remarkably small amount
 of sickness, no epidemics worth men-
 tioning; true we have whooping cough,
 measles and other childish ailments
 which are to be found in all localities,
 and are peculiar to none, but we are
 remarkably free from typhoid and other
 like diseases. For a community which
 depends solely upon agricultural pur-
 suits for its livelihood, this presents a
 remarkably thrifty appearance, and
 the stranger who visits our town is at
 once impressed with the air of thrift
 which pervades it. Our one crying
 need is industries of some description,
 factories of some kind, that would fur-
 nish both a market for our products
 and employment for our people and
 would at the same time attract out-
 siders to come to us. A few good in-
 dustries would work wonders in Lan-
 caster, would increase our population
 and soon place us well up on the list of
 progressive Kentucky towns.

Partial List Of Nominations

In The Central Record's Great Prize Subscription Campaign

First List Contains Scores of the Most Popular People Living in This
 Part Of Kentucky. Over \$625 in Prizes, Including a Beautiful
 Pony and Outfit, Three Beautiful Diamond Rings, Three 7 Jew-
 elled Elgin Watches, and Six Other Valuable Prizes, Will Be Given
 Away Absolutely FREE Within the Space of a Few Weeks.

Send In Nomination At Any Time.

If the Name of Your Favorite Does Not Appear in This Week's Issue or
 if Your Town or Neighbor is not Represented, Send in Your
 Nominations at once. Printed Matter and Full Instructions
 Will Then Be Sent the Prospective Candidate.

Today we publish a partial list of can-
 didates who have been nominated thus
 far in the Central Record's Great Prize
 Subscription Campaign. The names of
 scores of contestants appear. The
 number certainly indicates a remark-
 able interest in what is destined to be
 one of the most friendly struggles for
 a rich reward ever launched in this
 vicinity.

In this list will be found popular and
 energetic people from all over this
 section of the state. The names were
 sent in in many cases by people who
 expect their friends to get busy and
 win one of the valuable prizes. It is
 an indication of the confidence some
 friend has in that candidate's ability to
 win. It is a gauge of capability and
 inferentially a nice little compliment.

MANY NEW NAMES MAY COME.
 It is the experience of the contest
 manager that a great many nomi-
 nations come in after the first list is pub-
 lished. It gives the people the oppor-
 tunity to look over the list of names
 and see if their friends have been en-
 tered. So for that reason many new
 names will appear in each district for
 some time to come.

MAY ENTER ANY TIME.
 Don't get the impression that by the
 publication of the names the nomi-
 nations are closed. Candidates may, and
 will enter the race for many days to
 come and some of the ultimate winners
 may not enter for a week or ten days
 yet. Friends of prospective candidates
 will have the privilege of sending in
 nominations throughout the life of the
 contest. If the name of your favorite
 does not appear in the list published
 today, send in the name and address
 without delay.

There are many people living in this
 section of the state who would gladly
 enter such a competition if they only
 knew about it in time. Although we
 have sent out thousands of sample
 copies the past week, it is impossible
 to give the contest wide enough publi-
 city so that everyone will hear about it
 the first two or three weeks. So we
 will consider it a favor if our subscri-
 bers and friends all over this territory
 will help us by nominating popular peo-
 ple from their vicinity. Just pick out
 several popular people from your
 neighborhood whom you think would
 like to win a prize and send in the
 nominations. If you have not enough
 nomination blanks, simply write their
 names and addresses plainly on a piece
 of paper, signing your name at the
 bottom, and mail to the Contest man-
 ager, care Record Lancaster Ky. The
 names of those making nominations
 will not be divulged or published under
 any circumstances and it may bring
 some person the prize they have long
 desired.

With this list of names published
 today, indicating the class of popular
 people to whom the great prize com-
 petition has appealed, there is no rea-
 son why any popular and energetic per-
 son should hesitate to enter the con-
 test. The race is open to all. The
 prizes are here. It is simply a ques-

tion of getting started.
 HOW TO ENTER.
 Fill out the nomination blank found
 elsewhere in this issue with your name
 or that of a friend and bring or send it
 to the Contest Manager. You thereby
 become a candidate and immediately
 upon receipt of the nomination blank,
 properly filled out, the necessary mat-
 ter and full instructions will be sent
 you. Read the rules and other infor-
 mation found in the advertisement on
 page six.

DIVIDED INTO DISTRICTS.
 The territory of the contest is divid-
 ed into three districts and there will be
 at least four prizes awarded to each
 district. Contestants need compete
 only against those in their own dis-
 trict for any of the district prizes.
 The handsome pony and cart will be
 awarded to the contestant who secures
 the most votes in the entire contest.
 Under this most liberal arrangement of
 prizes and districts, the prizes will be
 very easy to win.

GET A GOOD START.
 In order to help the contestants get
 a good start in the great race, we are
 today putting on the Great "Opportu-
 nity Offer" of the contest. Double
 the usual number of votes will be given
 on both old and new subscriptions turn-
 ed in before July 31st. Prospective
 candidates should start at once and get
 their friends pledged to their support
 in this great race. The hardest part
 of such a race as this is to get started,
 but after you do make a start and
 your friends become interested in your
 race, you will be surprised to find how
 easy it is to secure votes and subscrip-
 tions. Don't put the matter off any
 longer but take the first step by send-
 ing in your nomination. The contest
 manager will then send you printed
 matter and full instructions for start-
 ing your campaign.

The rule whereby each candidate is
 allowed THREE EXTRA VOTE BAL-
 LOTS OF 25,000 VOTES EACH on the
 first three subscriptions which they
 turn in, has been extended until July
 31st. Prospective candidates should
 send in three subscriptions at once and
 thus get 75,000 EXTRA VOTES FREE.
 Don't fail to take advantage of the
 opportunity to secure these extra votes
 for it will give you a good start in this
 great race.

WHO MAY ENTER.
 Any white person of good character,
 residing in this section of Kentucky, is
 eligible to enter. It does not cost any-
 thing to enter or try for the prizes.
 The nomination blank counts 1,000
 votes for the candidate so nominated.
 The prizes will be given to those se-
 curing the most votes and votes may
 be clipped from the paper or secured
 on subscriptions. The ballots which
 appear in each issue of the Record are
 good for 100 votes each, if voted be-
 fore date of expiration printed on the
 coupon. The vote ballots issued on
 subscriptions according to the length
 of the subscriptions as shown else-
 where.

News Of The Churches.

Preaching at the Methodist church in Lancaster Sunday morning.

The Lord gave us a real good meeting with Rev. J. W. Harris, Vanceburg Ky. Several professions of conversion and sanctification, the church greatly benefited.

One old man 76 yrs old, was powerfully saved; how his face did shine when he arose from the altar, having prayed through.

One lady from Washington D. C. who was visiting Vanceburg was saved and sanctified. Also one from Oklahoma City was gloriously saved who is now President of the Woman's Missionary Society of a church with a membership of one thousand.

So many people in our churches today seem to be strangers to real heart felt religion having never been converted. Oh for an old time revival, when men and women will weep their way to the cross, and to God.

Messrs. Todd and Rigby sold their crop of wheat of 1000 bushels to the firm of S. L. Cummins and Co., Crab Orchard at 90c.

The cause of education received a knock-out blow at this place for all time to come, Saturday last. The proposition to levy a 25c tax to extend the school term to nine months would have carried had the entire vote been polled but a seemingly lack of interest on the part of those favoring the proposition, at the pinch of the time, lost the goal. There were 16 majority against the measure. Some 20 odd ladies voted and in every instance voted as their husbands, while landlords and tenants were also of one mind concerning the matter. Other far less favored communities than ours enjoy a nine months school and count the cost as trifling, having opened their eyes to the fact that ignorance is expensive. We are glad to say that there are no more spots on the losing side and with all equanimity are willing to share our "half loaf" which is better than no bread, says the old proverb. But as an individual, who in such instances is free to express the opinion that not many years shall elapse before the present winning majority will see a serious mistake has been made.

The Children's Day exercises at the Baptist church last Sunday were well attended. The program which was a lengthy one, was well selected and rendered in creditable manner. The exercises reflect much credit on both teachers and pupils of the Baptist Sunday School.

Brislin, of Elgie, Ill., says: "I have used Kickapoo Worm Killer for years, and entirely rid my children of worms. I would not be without it." Guaranteed. All druggists, or by mail. Price 25c. Do you know how—
To find relief from backache;
To correct distressing urinary ills;
To assist weak kidneys?
Your neighbors know the way—

Have proved their worth in many tests.

Here's Lancaster testimony:
Mrs. T. S. Elkin, Danville Pike, Lancaster, Ky., says: "I still consider Doan's Kidney Pills the best remedy for anyone to use when having anything wrong with the kidneys and back. Doan's Kidney Pills are a safe remedy to take. All I said some years ago recommending Doan's Kidney Pills holds good."

INDIANA SILO

THAT patented joint has revolutionized the whole business of building silos by making it possible to construct a perfectly solid stavesilo of any desired height. When put together with a little white lead at these joints, a two-piece stave is as good as if it were made of one-piece staves, and very much less expensive. There is no metal at these joints to become corroded by the acids and no outside moisture can collect in them to rot the wood. This joint adds years to the life of your silo and many dollars to its value.

We have a plan by which you can own an Indiana Silo and let it pay for itself out of what it saves for you on next winter's feed bills. Give us a chance to explain it to you.

The Truant Law.

The law provides that every child between the ages of 7 and 16 years in the state of Kentucky shall be sent to some school for a full term each year, and a failure to observe this law entails a penalty of \$25. for the first offense, and for each subsequent offense a fine of not to exceed \$100, or imprisonment not exceeding fifty days, either one or both, the penalty to be visited upon the parent, guardian or person having supervision of the child.

This law has never been enforced in Garrard county, and there has been good and sufficient reasons for its non-enforcement, which however, do not exist at this time, and in consequence, the parent or guardian who grows lax about sending his child to school, need not be surprised to find himself in the clutches of the law at any time for his laxity. With the splendid educational facilities being offered in the county now, placing a good education within the grasp of the most humble child within its bounds, there is absolutely no excuse for failure to have the child take advantage of the offered schooling, and such a thing as an illiterate child in Kentucky in the next ten years should not be known. It should be a matter of pride with parents to have their children in school, the enforcement of such a law should not become a necessity in any case, and if such an instance should present itself, the penalty should be inflicted to its fullest extent.

We cannot imagine a family in such circumstances in this county as to be put to the necessity of keeping a child of tender years from school in order to assist in the maintenance of the family, of course there may be and probably are such instances, where such a necessity arises, but they are very rare, and even in the worst cases, the child may be able to attend school at some time during the term.

There is not a state in the Union which offers better educational advantages in the rural districts than Kentucky, and every parent should take advantage of them and see to it that their children are given the benefit to the fullest extent, without the intervention of the law, or without the truant officer having to enforce the law provided in such cases.

A Pretty Society Event.

The most notable society event of the season was the reception tendered to Mrs. Frazier G. Hurt by Mrs. L. G. Davidson on the morning of the 9th inst. The hours were from 10 to 12 o'clock and the invitations had been so timed as to prevent any crush from the large number of guests invited, nearly all of whom responded to the invitation, anxious to show their esteem and respect for the handsome and popular young matron and the gracious hostess. The handsome home of Richmond avenue was tastily decorated for the occasion in palms and evergreens; the guests were met at the door by Miss Allie Yantis who gracefully conducted them indoor and to the receiving line, which was composed of Mrs. L. G. Davidson, the hostess, Mrs. F. G. Hurt, the bride in whose honor the function was given and Mrs. Lester B. Hilton of Stanford Ky. The color scheme within was white and pink, which was also carried out in the refreshments served, composed of ices and cake, both molded into dainty heart shape. Frappe was served on the porch, Miss Delia Tindler presiding.

There was a constant stream of visitors during the entire two hours of the reception, people from the town and county joining with many from a distance in attesting to the popularity of the fair bride and her hostess.

Among the out-of-town guests who were present, Messdames John Baughman, Lester B. Hilton and Robert Bruce of Stanford, Miss Margaret Ramey, Eminence Ky., Miss Cecile Elliott, Los Angeles Cal, Mrs. Ed. G. Doty of Pecos Tex. and Mrs. J. B. Jennings of Tulsa Okla.

Wm. Simpson, and family Teatersville Ky.

Shrinkage In Tobacco Acreage.

Supt. E. F. Roberts in making up his estimate of the burley tobacco crop acreage, figures a shortage of 1100 acres as compared with the crop of 1912. The shrinkage occurs in the counties of Bourbon, Greenup, Harrison, Jessamine, Kenton, Mason and Trimble. His estimate gives 133,300 acres this year as against 134,400 in 1912. He gives the acreage in Garrard county the same as last year, 4,000. This is conservative for this county, as it is estimated by many who are in a position to know that the acreage in this county in 1912 would exceed 5,000 acres and will reach that figure again this year.

Simpson.

Charles Simpson died at the home of his father Mr. William Simpson at Teatersville in this county on last Friday afternoon after a long illness of tuberculosis, and after short funeral services at the grave conducted by Rev. DeMoss of Buckeye and Rev. Beagle of Lancaster, his remains were interred in the family lot in the Lancaster cemetery on last Monday morning.

The circumstances surrounding the death of young Simpson made it an unusually pathetic one. He was preceded to the grave by his mother, who was also a victim of that dread destroyer, tuberculosis, and about twelve years ago he and another brother, Larue feeling that the terrible malady was gaining a hold upon them took their departure to what they hoped might prove a more favorable climate, they went to California; shortly afterward another brother, Earl, followed them to the state of California.

Earl was the first to succumb to the malady, and about two years ago his remains were brought here to his old home for burial. In April of this year Larue fell a victim to the malady, thus leaving Charles, the oldest of the boys to battle alone in a distant land; the contest proved an unequal one, and after exhausting every known remedy he gave up the conflict and concluded to come home in order that he might die at his old home and among his relatives and friends. Meanwhile he had met and fallen in love with a beautiful young French woman, Miss Marie Dardiniere of Los Angeles; his brother Ed, Simpson a few months ago went to California in an effort to do something for his afflicted brother, he started for home with him, but when he reached Albuquerque N. M., the young man concluded to try that climate for a while in the hope of securing relief, and with much reluctance, his brother purchased property in that place and left him there. Within a short time, failing to secure the relief he had hoped to find, he concluded to make the long journey home, he telegraphed his fiancée in Los Angeles and she joined him in Albuquerque and at once expressed her intention of accompanying him, which she did. They reached Louisville on the 19th of last May and expected his brother to meet them there, however, a misunderstanding in the sending of a telegram prevented this, and they were married in Louisville on that day and proceeded on their journey to Lancaster. The devotion of the young bride to her afflicted husband during his stay here was pathetic to see, she never leaving his side for even an instant. Her grief at his death was heart rending.

There was never a family of more upright, gentlemanly or popular boys raised in Garrard county than the Simpson boys, and a multitude of friends throughout the county will mourn the taking away of the eldest.

Young Simpson was 34 years of age last May. Besides his father, he is survived by two brothers, Messrs Ed and Otto Simpson of this county and one sister, Mrs. Tilden Hoover, also of the county, and also one half brother, Creed Simpson who lives with his father at Teatersville. The deceased was a nephew of Mrs. W. T. West of Lancaster.

Card Of Thanks.

We wish to thank our many friends who were so good and kind during the illness and recent death of our dear mother.

Mission Done The Rev. Z. T. Sweeney Home From Europe.

The Rev. Z. T. Sweeney, former fish and game commissioner, pleased with his experiences in Russia, England and Wales, has arrived here, after having carried out a mission for the Christian Church in the Russian Empire and delivered a personal invitation to David Lloyd George, Chancellor of the Exchequer for the British Empire, to come to Toronto next fall for the convention of Christian churches. Mr. Sweeney obtained a promise from the Chancellor that he will come if Parliament is not in session then. He also returns with an optimistic account of work of his church in Russia.

When Mr. Sweeney was in London to see David Lloyd-George he had difficulty in getting one of the Chancellor's six secretaries to take in his card. Not half a minute after the card was delivered the Chancellor appeared, grasped the clergyman's hand and invited him in. Mr. Lloyd George keeps track of the work of the Christian Church in this country, and Mr. Sweeney was surprised to find that he knew all about the Sweeney family, how many ministers it had produced and where they had preached.

On the following Sunday Mr. Sweeney went to the Lloyd-George home at Criccieth, Wales, and preached at a Christian church where a relative of the Chancellor has been pastor for fifty years. He was the guest of the Chancellor's brother, William Lloyd-George, Sunday, and the Chancellor and his family attended the service. When Mr. Sweeney left David Lloyd-George invited him to make his London home his own whenever he should be in London again.

Mr. Sweeney's trip abroad was made primarily on behalf of a committee of Russians in New York, who wishes to know what progress is being made by the Christian church in the Russian empire. Mr. Sweeney visited St. Petersburg, Moscow and Warsaw and learned that though the Government church frowns on any other, the Christian church is making rapid strides. The interest is not confined to the humble classes. Many of the nobility are interested.

HAS PREPARED REPORT.

Mr. Sweeney has prepared a report, directed to the members of the committee that sent him abroad. He says in part: "I left New York April 23 and reached St. Petersburg May 8. I attended ten meetings of the church in St. Petersburg and became acquainted with the preachers, members and methods of the church; they have only one church, which meets at six regular meeting places and at four other places at irregular intervals. The church numbers 900 baptized believers, 700 of whom live permanently in the city. They recognize no authority in religion but that of Jesus Christ and His apostles. They call themselves by such names as are found in the New Testament, but, owing to governmental regulations they are required to adopt some other names that will be differentiative. Under such compulsion they call themselves 'Gospel Christians.' In some cities

they are known as 'Evangelical Christians in Russia'. The movement originated more than fifty years ago under the teaching of Gen Pashkoff, a very wealthy Russian holding a high position under the Emperor."

Pashoff was exiled and he went to Rome where he died. His marble palace is now used as a museum for the University of Moscow. Mr. Sweeney calls him the 'Alexander Campbell of Russia'. Mr. Sweeney mentions Ivan S. Prokhanoff, who preaches in Russian, English, French and German. This man, who is not yet forty years old, conducts a church that has a Y M C A and Y W C A. A church paper is published and the printing house issues other religious literature.

PREACHES INTO PHOTOGRAPH.

The members of the Christian Church in the Russian empire have a union that supports thirty six evangelists. At its last annual meeting delegates came from 6,000 miles. So great is the demand for preaching that Mr. Prokhanoff preaches into a photograph and the records of his sermons are sent where missionaries cannot go.

Mr. Sweeney found a well equipped Bible college. He spoke there. The students entered a discussion of his talk.

Mr. Sweeney, summarizing his report, said the Russian members are as "insistent upon New Testament Christianity as Christians of the United States;" that they have the sympathy of many influential persons, due to the influence of their leaders; that the organization is strong; that \$100,000 given to Russia "would develop a half million gospel Christians in less than a quarter of a century;" that "if this is not God's opportunity to us, I know nothing about opportunities."

Mr. Sweeney refrains from mentioning the influential persons in the denomination, suggesting it would not be wise. One of them, however, is a man close to the Emperor.

School Trustees To Be Elected.

An election will be held at the following places on August 2, 1912, for the election of School Trustees: Antioch, Sycamore, Beazley School, House West Point Buena Vista, Sunnyside, Bourne, Walker's School House, Buckeye, Beech Grove, Teatersville, Union, Manse, Stony Point, Copper Creek, Stringtown and Paint Lick.

Internal Revenue Examination.

A special First Grade or Clerical Internal Revenue Examination will be held in several Kentucky towns, including Richmond and Danville on August 16, 1913. Applications must be filed not later than the hour of closing business on August 11th, and may be had upon applications to the District Secretary, Room 403 Postoffice Building Cincinnati O.

Rain Badly Needed.

The present drought is becoming serious, the hay and oat crop has been cut short and there is no relief in so far as these crops are concerned; corn and tobacco is also beginning to show the need of a shower. However, the most serious need is for stock water, creeks are dry and farmers are being compelled in many instances to haul water for their stock.

An Exhibit Worth Seeing.

The Louisville Camera Club has kindly loaned to the Woman's Fair a splendid exhibition of kodak pictures and other works of art, which are very interesting and really worth seeing. The exhibits while on display at the Fair today and Saturday are merely for the delectation of the public and are not to be contested for and are not to come into competition with other exhibits at the Fair. They were simply loaned as an act of courtesy.

A New Kind Of Party.

Little Miss Annie Katherine Arnold of Birmingham Ala., who is spending the summer with her grand-parents, Mr. and Mrs. Jas. G. Burnside, has introduced an innovation in the way of a society event; on last Tuesday night she gave what she called a "staying all night party" to her little friends, and the event was as enjoyable as novel. Those who partook of the hospitality of the little Miss were Misses Johnetta Farra, Elizabeth Terrill, Elizabeth Gibbs and Elizabeth and Mary May Walker.

Labor Score.

Lancaster housewives find it difficult nowadays to get a hand to "hoe out the garden", and their husbands are meeting with the same experience on a more extensive scale. Labor was never scarcer in Lancaster, and there are no idlers either, everyone is just engaged at some kind of work. The concrete work in course of construction, the various buildings going up, the farm labor which always attracts its quota of labor and the various threshing outfits which draft their labor from the town supply, have about exhausted the available local material, and the town man who finds himself in need of a hand, is sorely put to it to secure one.

Lectures.

Mr. Harvey M. Estes, of Georgetown, Ky., who recently had a book poems published, is now receiving a hearty welcome wherever he goes as a lecturer. The lectures consist of recitations from his book of poems and explanation of the same together with a few remarks about poetry in general.

Mr. Estes will be in Garrard county Saturday to deliver his lecture at different points in this county. The dates and places are as follows: Antioch School house Saturday July 19 Chapel of Hyattsville, Union Sunday School Monday July 21, Herring School House Tuesday July 22 Sycamore School House Wednesday July 23. The lecture at each place will begin at 7.45 P. M. Admission free.

"Bake" Walker Has Accident.

Mr. R. L. Walker, who resides a short distance from Nicholasville, met with a painful accident while returning to his home from church on last Sunday morning; when nearing his own gate his horse became frightened at some object and overturned the buggy. Mr. Walker's arm was broken between the shoulder and elbow and he was considerably bruised about the limbs. His sister Mrs. W. O. Rigney accompanied by John F. Walker left here on once in an automobile and Mrs. Rigney remained at his bedside. "Bake" was resting easy at last accounts and his many friends in Lancaster are hoping for his speedy recovery.

Lexington Street Car Strike Settled Through Kindly Offices Of Gov. McDermott.

Through the mediation of Gov. McDermott, acting Governor while Gov. McCreary is out of the state, the Lexington street car strike was settled at 4:12 o'clock Tuesday afternoon by the signing of a compromise measure drawn and submitted by Gov. McDermott. Service was resumed on all lines on Wednesday morning. The strikers won all of their contentions with one exception, they are not allowed to wear their union button while on duty. All men recently discharged are to be reinstated. The strike on last Monday was the occasion of considerable rioting in Lexington and at least a score of people were injured. The rioting is said to have been precipitated by sympathizers of the striking men, who said to have taken no part in the rough work. The strike has worked severe havoc to business in Lexington, and business men are delighted at the early settlement.

To The Progressive Voters Of Garrard Co., Attention.

The primary election is now drawing near at which all parties will nominate their candidates to be voted for at the next Nov. election. It behooves each and every one of us to be up and doing and get out our full strength on that day. Let every one form him self into a committee of one to get his neighbors out to the primary on the 2nd day of August. We have a good ticket in the field composed of the following gentlemen: J. B. Bourne, County Judge, J. M. Duncan, County Clerk, R. S. Brown, Sheriff, Geo. Anderson, Jailor, Jno. Green, Assessor, Magistrate 1st Dist. J. C. Cricciell, 2nd Dist. R. M. Moss, 3rd Dist. Harrison Ray, 4th Dist. J. W. Coldiron, J. F. Holtzclaw, for Representative. While there is no opposition to any of the candidates, it is important that we poll a full vote in the primary to show our strength to the voters of Garrard County, who are now turning toward us for relief from the evils which do beset us.

G. M. Patterson, Chairman.

R. L. Stultz, Secretary.

GOES TO THE SEAT OF RHEUMATISM Rhenna Quickly Expels The Cause And Restores The Whole System.

If you suffer from any form of Rheumatism, remember that RHEUMA goes to work quickly to remove the cause, not simply to relieve the distress. Many years' use has demonstrated that it goes to the seat of the disease and expels the poisonous matter that has accumulated; does this through the natural channels—the kidneys, bowels, liver and skin. These are the sewers of the system and RHEUMA leaves them working naturally and allows the strength to come back in full force. RHEUMA is guaranteed by R. E. McRoberts & Son, who sells it for 50 cents a bottle.
